Dear Mr. Weisberg,

I am writing to request a list of your books that are available for purchase. Please include method of payment you prefer.

I am 37 years old and my most vivid childhood memory is the afternoon of November 22,1963. In the last few years I have been reading everything I can on the subject. So many researchers seem to cloud the basic facts with their own theories, it soon becomes confusing. I recently read your "CASE OPEN"and found it so enlightening that I would like to purchase others.

We,the American people, deserve to know the truth of the events of November 22,1963. I salute your ceaseless efforts to ensure that we will.

Sincerely,

Angela Draper
